### Cargo in Containers with extra measures (always subject to pre-acceptance)

#### Freight (base) Additional

OOG on FLATS or OPEN TOPS	20% on freight (base) by side and by TEU
---------------------------	--

### IMO Cargo

<b>Explosives (Class 1)</b>	The transport is subject to the security conditions of the ship and ports. When required to change the ship in port, imposed by the above conditions, the loader is responsible for all the extra costs arising from the dock change and additional stowage costs, loading and unloading. The freight rates are subject to direct negotiation with each charger
Tar, paint thinner, paint and bottles of gas (Classes 2 and 3)	An additional of 10 % over freight base will be applied

### Tarpaulin's Deposit (Open Top):

20'	370 € + VAT
40'	745 € + VAT

If tarpaulins are delivered in good conditions on the terminals, this amount will be credited

Effective date: 23<sup>rd</sup> march 2021  
Expiry date: until further notice
